PROFILE

I love problem solving and will enthusiastically pursue any avenue that allows me to learn more. I am currently working on social impact projects for the Tech for Better Scheme and I'm looking for a Full Stack Development position that will provide opportunities to further my technical skills and knowledge.

WORK EXPERIENCE

Prepare Me, Full Stack Developer, QA Lead
06/2020 – present | London, UK

Tech: React, Cloudinary, Travis CI, Cypress, Netlify
